

ANCHORAGE

Nelson, New Zealand Wine
www.anchoragewines.co.nz

Harvested from the Flett Road Vineyard, these grapes were grown in clay soils on the southern side of the higher terraced blocks.

Light honey in colour, the nose opens with vanilla, smoky toasted oak and slight hazelnut overtones. The palate is peach and coconut leading into butterscotch, caramel and vanilla with a lingering oak and hazelnut finish. A soft, approachable and well balanced Chardonnay reminiscent of an old world style.
